

Ulzahan Yessirkap Excellence Award for Girls

Introduction

The *Ulzahan Yessirkap* Excellence Award is presented at every MILSET Expo-Sciences that takes place in Asia, in memory of female Kazakh student and MILSET member Ulzahan Yessirkap.

Ulzahan Yessirkap

Ulzahan Yessirkap is the name of a Kazakh girl who passed away in a car accident during her participation in the first MILSET Expo-Sciences Asia in Kuwait in 2010.

The rules of the Award

The winner should be under 18 years old.

The organising committee chooses a female volunteer from the host country who has excelled in scientific activities.

The criteria for selection

- a) The recipient should be a volunteer participating in a MILSET Expo-Sciences Asia or a MILSET Expo-Sciences International held in Asia.
- b) She should demonstrate excellence in scientific activities.
- c) She should have a history of participating in expo-sciences locally and internationally.
- d) She should have been helping with volunteer tasks or social activities during the event.

Award

The recipient will be announced at the MILSET Expo-Sciences Closing Ceremony and will receive a trophy and a certificate.
